Brief Report:

On March 11th, 2023, the Bajaj Institute of Technology alumni held a book donation drive at the institute library to distribute books to needy students and improve the library's resources. The event was coordinated by Dr. Vijay Deshmukh and Prof. Suraj Vairagade. The alumni were well received by Dr. Narendra Kanhe – Principal BIT. He appreciated their achievements and expressed his joy in receiving positive feedback from their employers.

The book distribution took place during regular institute hours, and both students and faculty members were present to receive the donated books. The event was a success, with a large number of books being distributed among the students who couldn't afford them. The institute library also received a significant number of books, which will undoubtedly help enhance its collection and provide more resources for students. The alumni were delighted to contribute to the institute's educational mission, and they hope to continue supporting such initiatives in the future.

Mr. Abhishek Balbudhe President of the Alumni association expressed his gratitude to the Principal and all teachers for their constant support and guidance and the event was concluded with high tea.
