Report on Electrical Engineering Alumni Interaction with Students – Chat Junction (by Power BIT Forum)

Brief Report of the Activity

Bajaj Institute of Technology, Electrical Engineering Department conductedthe '*Chat Junction*' an interactive session with students by the electrical engineering alumni under Power BIT Forum on 9TH April2022 in the seminar hall. Principal of the Institute Dr. Narendra Kanhe, Head of Electrical Engineering Department Dr. Harshit Dalvi and all faculty of Electrical Engineering department were present.

Third and final year students of Electrical Engineering interacted with the first batch passed out students. They asked several questions regarding the current technology being used in their respective facility. Alumni were overwhelmed and answered the queries of students regarding preparedness for professional life. They guided students regarding the preparation for GATE, extra courses to be prepared, prerequisites to enter professional life, importance of presentation and inter personal skills, working in Team etc. Students got valuable inputs from their seniors. The Alumni urged the students to understand the importance of projects, several assignments and laboratory hours which the faculty ask during their students life as they stressed its importance which they felt while working in their organization.
